

Embossed Aluminum Letters & Numbers

Gothic Typeface

i **Legible:** Unique embossed design provides high visibility from any angle.

i **Durable:** Solid aluminum pole markers are guaranteed legible for the life of the pole.

i **Economical:** One time attachment reduces your labor costs.

Premax solid aluminum Gothic letters and numbers have been the telephone industry's choice for marking outside plant for 80 years. These metal markers are simply the best: they withstand ultraviolet radiation, salt spray, and temperature extremes without losing their legibility.

Our Gothic style markers are made from rugged .016 inch thick aluminum and are only available in 1-1/2 inch characters.
