

# Embossed Aluminum Letters & Numbers

## Roman Typeface

**i** **Legible:** *Unique embossed design provides high visibility from any angle.*

**i** **Durable:** *Solid aluminum pole markers are guaranteed legible for the life of the pole.*

**i** **Economical:** *One time attachment reduces your labor costs.*

Natural hazards—ultraviolet radiation, temperature extremes, creosote leaching, and salt spray—don't affect Premax's rugged, mill finish, aluminum numbers & letters. Their embossed profile reflects light to provide easy reading from any angle. Durable Premax letters and numbers have proven themselves to be the utility industry's preferred marking system for over eighty years.
