

# Horticulture Tags Vineyards Farms Orchards Trees

**i Legible:** *Unique embossed design provides high visibility from any angle.*

**i Durable:** *Solid aluminum pole markers are guaranteed legible for the life of the pole.*

**i Economical:** *One time attachment reduces your labor costs.*

Aluminum tags are great crop row markers because they are legible, durable and economical. Accurately mark different crops and trees with solid aluminum tags that will endure the toughest of conditions. Premax row tags are fully customizable to your specifications. Our tags are made in the USA and ship fast from Wisconsin.

Whether you prefer to mark your rows with large brightly colored numbers or aluminum character tags, Premax tags stand the test of time.

Premax can readily manufacture a wide variety of tags displaying consecutive numbers, either alone or combined with company logos, initials or other relevant text. Nail holes can be customized for your particular application. Premax would like to be your number one supplier for asset identification products. please feel free to consult our factory at 800-328-0194 for a quote.
